Falls City water customers urged to conserve water

(KLZA)-- Due to a water main break at the Rulo Water Plant that is significantly impacting water production, Falls City Utility water customers are asked to conserve water for the rest of this Thursday. (9/8) It is expected repairs will be made by the end of the day, but the City urges customers to conserve water while the issue is being fixed. The City expect to be back into full production no later than Friday morning.
