Costly wreck investigated in Nemaha Co, KS

(KMZA)--Nemaha County, KS authorities are investigating a wreck that caused costly damage.

According to a release from the Nemaha County Sheriff's Office, it happened earlier this month, in the early evening of September 10, when "an unknown person was traveling eastbound on 128th Road attempting to turn onto V Road when they slid off the side of the roadway traveling through a fence and cornfield before returning to the roadway."

According to the Sheriff's Office, the wreck resulted in damages of more than \$1,000.
