Holt County MO Route B resurfacing project set to begin

(KLZA)-- A resurfacing project is scheduled to begin Thursday on Holt County Route B from U.S. Route 59 east of Oregon to Route 113 south of Maitland.

Contractors from Emery Sapp & Sons, Inc., working with the Missouri Department of Transportation and prime contractor Herzog Contracting Corp., will begin resurfacing Route B.

Crews plan to work daylight hours, Monday through Saturday, to complete the project by Friday, Oct. 21. Flaggers and a pilot car will direct motorists through the work zone and a 10-foot width restriction will be in place.
