Daylight Saving Time ends Sunday

(MSC News)-- It's time to “ fall back” as Daylight Saving Time ends Sunday, November 6.

Don't forget to set your clocks back an hour before going to bed Saturday night.

The time change will officially “ fall back” at 2:00 Sunday morning, creating darkness earlier in the evenings and more daylight during the early morning.

Fire safety experts also recommend changing batteries in smoke and fire alarms with the time change.
