Anonymous feedback opened for Atchison Co Commissioners

(KAIR)--In order to gain feedback from constituents, Atchison County has implemented a new online tool allowing residents to provide their voices.

That- found on the Atchison County website, at AtchisonCountyKs.org, with the new tool allowing constituents to engage with County Commissioners while remaining anonymous.

It can be found on the website under the “government” tab, and then under the “Commission” tab, labeled as “constituent anonymous feedback form.” A direct link is found [here](#).

The anonymous feedback is intended for constituents to remain comfortable while providing their insight to Commissioners.
