

Plea entered in Jeff Co attempted murder case

(KNZA)--An Oskaloosa man, who had been charged with two counts of attempted second-degree murder, has pleaded no contest to amended charges.

According to court documents, Logan Wittenberg entered the plea earlier this month in Jefferson County District Court to one count each of aggravated battery and aggravated assault. In exchange for the plea, three additional counts were dismissed.

Sentencing was set for March 2.

Wittenberg was arrested last September in the alleged attempted murder of Brian Robinson and Ashley Perdue in Jefferson County.

He remains free on bond.
