

Stolen truck, tools, lead to Atchison investigation

**(KAIR)--A stolen truck, and the connected theft of items from inside a business, are under investigation by Atchison Police.**

**According to a release from Atchison Police Chief Mike Wilson, a 2007 Chevrolet 1500 pickup truck was stolen early Sunday morning from the 1600 block of Main Street.**

**Stolen shortly before 4:00 that morning, Wilson says the truck was recovered the next day, Monday morning, in the 600 block of Atchison- Spring Street.**

**In connection with the theft of the truck, Wilson says his department is investigating the unlawful entry into a business building, located in the 1600 block of Main Street.**

**While inside, Wilson says thieves stole a welder and drill press, then left the scene.**

**No suspects are immediately identified and no arrests have yet been made.**

**Anyone with information related to the investigation are urged to contact Atchison Police at 913-367-4323.**
