

New Horton Elementary School principal hired

(KNZA)--A new Horton Elementary School principal has been hired.

The South Brown County USD 430 Board of Education Monday evening approved the hiring of Rainey Auen for the position.

USD 430 Superintendent Jason Cline said Auen brings a wealth of experience and knowledge to the school district. He said she has worked in education for over 25 years, with a focus on special education. Auen is a retired educator from Wyoming who currently works for Keystone Learning Services providing support to Effingham USD 377.

“ We are fortunate that she has decided to join our family. Rainey has a passion for helping all students succeed and has dedicated her career to ensuring students have access to quality education. Her experience and expertise will be invaluable to our school as we work together to support the academic, social and emotional growth of our students.” said Cline.

Auen will begin work August 1, replacing longtime Horton Elementary School Principal Judy Dickman who is retiring at the end of the current school year.
