Doniphan Co rescue plans Easter with the dogs

(KAIR)--A celebration of Easter is being planned in Doniphan County, with the local animal rescue working to raise funds by involving the animals in the traditional Easter Egg hunt.

According to a release from Doniphan County Pet Rescue, the Easter Egg Hunt for Dogs will be held Saturday, April 1 in Troy; and, as the title implies, dog owners are encouraged to bring their animals who will be the ones searching.

The Easter Bunny will also be in attendance, with a variety of picture opportunities to be offered, both with the bunny and for pet owners with their dogs.

The Easter Egg Hunt for Dogs will begin that Saturday afternoon at 4:00, and will take place on the Troy 4-H grounds, located at 100 North Boder Street, in Troy.

All members of the public are invited to attend.
