

Drug sale allegations hold Holton man in custody

(KAIR)--A Holton man is facing drug distribution-related charges following his arrest this week on a Jackson County District Court warrant charging him with the alleged crimes.

According to a release from Jackson County Sheriff Tim Morse, 35-year-old Derrick Hainline was arrested Monday, taken into custody on the warrant, which charges him with distribution of opiate opium narcotic or certain stimulant within 1000 feet of a school in Holton, possession of opiate opium narcotic or certain stimulant and possession of drug paraphernalia.

According to Morse, the warrant stemmed from a drug investigation by the Jackson County Sheriff's Office and the Kansas Bureau of Investigation, with the investigation alleging that Hainline sold "Dirty 30s", which are believed to be counterfeit Oxycodone pills with fentanyl in the Holton area.

Following his arrest, Hainline was booked into the Jackson County Jail.
