Inmate dies at Jackson Co Jail; KBI investigating

**(KAIR)--An inmate of the Jackson County Jail died while in custody, with the Kansas Bureau of Investigation handling the probe into the death.**

**According to a release from Jackson County Sheriff Tim Morse, the inmate was found unresponsive, shortly before 3:00 Tuesday morning, by Jail Staff.**

**Attempts to revive the inmate by Jackson County EMS were unsuccessful, with Morse saying the KBI, according to procedure and state law, was notified to review the incident.**

**The name of the inmate is not immediately made public as the investigation continues.**
