

County receives road striping request

**(KNZA)--A Brown County resident wants to see a three-mile stretch of old Highway 75 stripped for safety reasons.**

**Steve Lukert meet with the Brown County Commission at their May 22 meeting to request that the outer lines of the road be stripped from U.S. 36 Highway to Sabetha.**

**Lukert said its especially difficult at night to see where you are at on the road.**

**The cost to stripe the road has been estimated at \$9,000. Lukert said he would be willingly to raise \$3,000 towards the cost, if Brown and Nemaha Counties would split the remainder of the cost. The two counties share maintenance responsibility for the stretch of road.**

**The commission made no decision on the request.**

**Lukert also recently meet with the Nemaha County Commission to make the same request.**
