Richardson County Board discusses jail HVAC system

**( KTNC)-- The Richardson County Board of Commissioners met July 12.**

**Sheriff Rick Hardesty met with the board on the routine business within the Law Enforcement Center. Discussion was held regarding the installation of a HVAC unit on the rooftop of the Law Enforcement Center that was obtained for use during the outage of the unit that was out of service for a period this past winter. The extra unit would be installed and connected to be used as a back-up to avoid the problem of removing inmates from the jail and transporting them to another facility until repairs could be made.**

**The board approved to enter into an interlocal agreement with Johnson, Pawnee and Nemaha counties for the operation of the 4-County Juvenile Services program for the period of July 1, 2023 through June 30 2024.**
