

Wednesday night wreck leaves motorcyclist injured

(KAIR)--A Leavenworth County motorcyclist, traveling in Wyandotte County Wednesday night, required hospital treatment after his motorcycle ran off the road and overturned.

A report from the Kansas Highway Patrol says it happened around 11:00, as 49-year-old Jeremy Lee Harris, of Tonganoxie, was southbound on the U.S. Highway 73 ramp to westbound State Avenue, south of Parallel Parkway, when he lost control of the Harley-Davidson, which ran off the roadway to the left, where it overturned.

According to KHP, Harris was transported to the University of Kansas Hospital, in Kansas City, Kansas, for the treatment of what the report calls a "suspected serious injury."

Harris was not wearing a helmet at the time of the wreck.
