

Atchison Co schools readying for semester start

(KAIR)--The Atchison County Community Schools of USD 377 are preparing for the new school year, finalizing teaching positions in advance of the return of students to the district's classrooms.

During last week's meeting of the Board of Education, a new social studies teacher was hired, following an executive session held to discuss non-elected personnel matters. At the conclusion of that closed door session, and with a return to open business, the School Board approved the hiring of Timothy Grillot to serve as High School Social Studies Teacher. He will also served as assistant high school football coach and assistant high school baseball coach.

According to Superintendent Dr. Andrew Gaddis, 20-new employees are readying for the new school year, which officially begins with the return of all students for the first day of classes on Wednesday, August 23.

The night prior to the start, Tuesday, August 22, Back to School Night will be held from 5 until 7:00 that evening, followed by the Junior Senior High pep rally from 7 until 7:30.
