Grant funds awarded to Mound City

(KLZA)-- A Community Revitalization Grant has been awarded to the Mound City Downtown Restoration and Revitalization Inc. group in an amount of \$1,075,596.

The Mound City News reports the grant, funded through the Missouri Department of Economic Development will be used for historic district redevelopment in Mound City.

The local organization is under the direction of Juli Crenshaw of Big Lake, Karma Metzgar of Mound City and Alex Callow of Kansas City, who owns business property in Mound City.

The money are American Rescue Plan Act funds that are to help revitalize northern Missouri communities.

This was the second round of grants which included six grants in the northern Missouri Region totaling more than \$3.7 million.
