

Proposed Seneca city budget keeps mill levy steady

**(KNZA)--The Seneca City Council next week will consider adoption of a proposed 2024 city budget that calls for total expenditures of \$14 million and maintains the same tax levy.**

**According to budget hearing notice, the budget contains an estimated tax rate of 32.576 mills, which is anticipated to generate more than one-million dollars in local tax revenue.**

**Even though the mill levy will remain the same, the city will collect around \$142,000 in additional tax revenue due to a more than \$4 million increase in the city's assessed valuation.**

**The Council will consider adoption of the budget following a public hearing at their September 6th meeting. A second public hearing will be held prior to the budget hearing on the city's intent to exceed the revenue neutral tax rate of 28.01 mills.**
