Fares to increase for Doniphan Co public transportation

**(KNZA)--The Doniphan Co Commission has approved a proposal to increase fares for the county's public transportation service, effective January 1st, 2024.**

**According to the unofficial meeting minutes, County Aging Director Diana Crouse-Johnson presented the proposal to commissioners Monday.**

**Under the proposal, fares for local rides, which includes St. Joseph and Atchison, will increase from \$7 to 10, while fares for out-of-area rides to Kansas City and Topeka ,will increase from \$25 to \$35.**

**The fare increases are subject to approval of the Kansas Department of Transportation and public feedback after a 30-day publication notice.**
