

Potter fire battled Sunday; no injuries occurred

**(KAIR)--An early Sunday morning Potter fire, involving a camper and a shed, was battled successfully by firefighters, with no injuries reported despite the objects being considered a total loss.**

**Dustin Martin, Fire Chief for Atchison County Rural Fire District #4, Mt. Pleasant, told MSC News his crew arrived on the scene around 4:15 Sunday morning, with fire fighters at first working to keep the fire from spreading to another shed, and occupied trailer home, which stood nearby the ones ablaze.**

**The fire, after it was kept from spreading, was then extinguished by the crews on-sight, with the fire scene, located in mid-town Potter, cleared by around 7:00 Sunday morning.**

**Martin credits the assistance provided during the effort by Walnut Township fire fighters.**

**The older model trailer which burned may have been being utilized as a shelter, but no one was inside at the time of the fire.**
