

Two arrested in Pottawatomie Co burglaries

(KMZA)--Two Blaine residents have been arrested in connection with a pair of burglaries in late September in Pottawatomie County.

The Pottawatomie County Sheriff's Office said in a release that a search warrant was executed Tuesday in the 12-thousand block of Bucksnorth Road, in rural Blaine.

The release says the search warrant was the result of investigation into burglaries and thefts from an outbuilding in the 20-thousand block of Highway 99, which were reported September 25 and September 28.

Arrested as a result of the search warrant were 45-year-old Daniel Hale and 41-year-old Katrina Taylor. Hale was arrested for burglary and Taylor was arrested for possession of stolen property.

Both are free after posting a \$10,000 bond.
