

Public meeting set in Seneca on proposed fitness court

(KMZA)--A public meeting will be held Monday evening (October 30) in Seneca to inform the public about and gain support for a proposed outdoor fitness court.

City Parks and Recreation/Community Development Director Jordan Weaver will hold the informational come-and-go meeting at City Hall from 6:30 to 7:30.

The city was recently notified it has been selected for a \$50,000 grant from Blue Cross and Blue Shield to help fund the estimated \$210,000 court, contingent on the city securing the additional funding needed.

The city has pledged to match the grant and is working to find the additional financial support.

The court, a 38 by 38 foot square of outdoor exercise fixtures, was developed by the National Fitness Campaign to provide a total fitness workout accessible to all ages and skill levels.

A site east of the Aquatic Center parking lot has been proposed for the court.
