Local animal rescue to provide pics with Santa

**(KNZA)--Christmas is for children. Or the dogs. Or your other fur babies. And that's the reason why a local area animal rescue is providing pictures with Santa Claus for all of the above.**

**That's set to happen this week, during the evening of Wednesday and Thursday, as the Doniphan County Pet Rescue offers the pictures.**

**According to the organization, pictures will be taken both evenings, from 6 until 8:00, at the 4-H Building, in Troy.**

**Kids and animals will be photographed with Santa Claus, or even the Grinch, if that's who they choose. 4x6 pictures will either be printed, or emailed, to those who take part.**

**Donations will be accepted during the photo session, in support of the work of the Doniphan County Pet Rescue, which offers its services throughout the local area.**
