KS Rep. Eplee to talk Saturday at Atchison coffee

(KAIR)--Politically minded Atchison-area residents are invited to join together Saturday for an informal chat with state leadership.

That comes as the Locally Atchison Chamber hosts another in its annual Legislative Coffee sessions, with residents welcome to the informal discussion with state, and sometimes, federal leaders.

On Saturday, it's local State Representative Dr. John Eplee, of the 63rd District, who will visit Atchison's Santa Fe Depot, located at 200 North 10th Street. According to Locally Atchison, Eplee will provide updates to those in attendance regarding the status of matters before the Kansas Legislature. Questions and answers are included as part of the morning discussion.

Saturday morning's Legislative Coffee will begin at 9:00.
