

New Holton USD 336 superintendent hired

(KNZA)--Holton USD 336 has named its next superintendent.

The school district Wednesday evening announced the hiring of Holton native Trevor Ashcraft for the position.

Ashcraft has served as superintendent of Onaga USD 322 for the past two years. Prior to that, he served as the USD 380 curriculum director and Vermillion principal for five years.

Ashcraft was among four candidates interviewed last week by the Holton School Board for the superintendent's position. The other three candidates were Rhonda Frakes, current principal at Jeff West High School; Patrick Graham, current principal at Santa Fe Trail High School; and Dr. Ryan Most, director of virtual learning and special programs at Kansas City USD 500.

Ashcraft will replace current Holton Superintendent Bob Davies who is retiring at the end of the current school year after serving in the position since 2017.
