Student safety behind Eplee legislation

(KAIR)--Safety for students, inspired by the passing of a 15-year-old Atchison High School athlete in August, 2021, is the reason behind initiatives taken in the Kansas House, as spearheaded by Kansas 63rd District Republican Representative, Dr. John Eplee.

Eplee was a recent guest of 93.7 FM's "Co-Host Monday" with Neil Wieland.
