

Cold case investigation leads to Holton warrant

(KNZA)--A search warrant was served Tuesday morning at a Holton residence stemming from "a missing person investigation and an investigation into the death of another person" that first began nearly 25 years ago.

Jackson County Sheriff Tim Morse, in a release, says the warrant was executed in the 400 block of East 6th, with his office joined by the Kansas Bureau of Investigation, the Kansas Highway Patrol, and the Holton Police Department, explaining that "Russian immigrant Yulia Shevtensko Larrison went missing in 2001 and Elena Kristova Larrison, also a Russian immigrant, was killed in a reported accident in Holton in 2006."

Previously investigated by the Holton Police Department, Morse says his office "re-opened investigations concerning both incidents in 2019."

Saying that "no arrests have been made and no further information will be released at this time," Morse adds that if "anyone has any information regarding either of these two incidents, they are asked to contact the Jackson County Sheriff- Office at 785-364-2251 or the KBI at 1-800-KS-CRIME."
