Amelia Earhart Bridge to have Reduced Traffic

On Monday between 9:00 and 3:30 US-59 over the existing Amelia Earhart Bridge will be reduced to one lane for both directions for repair work on the bridge deck.

Drivers will be directed through the work zone via a flagman at each end of the bridge.

Advance warning signs will be in place to alert drivers to the lane closure on the bridge.

Traffic will be restricted to one 11-foot wide lane.

Drivers should expect delays and allow extra time for travel during the lane closure.

Project work is scheduled to be completed the same day, weather permitting.
