Principal Hiring on Agenda for HTRS Board at Special Meeting

The Humboldt-Table Rock-Steinauer School Board has scheduled a special meeting for seven o'clock Monday evening.

The Board is expected to approve the hiring of a new Humboldt site principal during the meeting. Current Principal Laurie Kimbrough is retiring at the end of the school year.

The board will also deal with a certified staff resignation, and discuss district priorities. An executive session is also part of the agenda, and there will be time set aside for patron comments. Monday's meeting will be held in the second floor math room in Humboldt.
