Bridge Set To Be Replaced in Marshall County

A bridge is set to be replaced in Marshall County.

The Kansas Department of Transportation recently accepted the low bid from Klaver Construction Company of Kingman for the replacement of a bridge on K-110, north of U.S. 36, over the North Fork of the Black Vermillion River in the amount of \$444,541.

Bid letting was held February 22nd in Topeka.

A construction start date wasn't announced.
